The Rule of Law

- **Law** reduces complexity
  - By having simple rules
  - But then will be difficult cases, so discretion.
- **Politics** reduces complexity
  - Making commitments to political direction
  - Solve detailed problem by compromise between interested parties
So how much are politicians or lawyers trusted?

Trust in Institutions (Eurobarometer 2013, Ipsos 2016)

- Governments
- Parliaments
- Judges
- Lawyers

- trust
- don't trust
